**Subject:** RE: Yamhelas Westsider Trail

While I'm happy to write a letter of support, my lone voice – and anyone's lone voice – won't stand up to the 2/3 BOC contingent intent on bullying this Trail to its death and mishandling every economic development opportunity in the County for the next two to four years. You have to show them a unified front and push back.

If you want to get serious about a real honest war – and not this half truth hysteria one sided war that the Trail is losing - I'm happy to have a strategy session.

I guess publicity is our only recourse.
